Referencia : 42839

Docking Station p/ discos 2.5" SATA+Leitor CartÃµes LINDY (42839)

Fabricante : Lindy

This handy multi-function device has been designed to save space on your desktop, whilst giving you quick access to your data. The docking station comes complete with a 2.5" SATA HDD enclosure, which supports HDD up to 9.5mm in height, so now you can forget about the limited capacity of a pen drive and use the huge capacity offered by SATA HDD to move data between your computers. Once you've installed your HDD into the enclosure, simply place it into the dock and you're ready to start, it's that simple.

In addition there is a two port USB 2.0 hub for your added convenience, as well as a multi-format card reader with support for SD (including SDHC, Mini-SD, MMC, RS-MMC), Memory Stick (including Duo and Pro Duo) and Micro-SD/Transflash/Memory Stick M2.

• 2.5" Case for SATA HDDs
• 2 Port USB 2.0 Hub
• Card Reader with 3 slots:

    • Micro SD/M2
    • MS
    • SD/Mini SD/MMC/RS-MMC

• Bus powered, USB Dual Power Cable for mass storage devices included
• Plug & Play
• Hot Swapping
• Supports Windows 2000/XP/Vista

Transformador opcional de corrente: Ref: 70221

A maneira mais fÃ¡cil de ligar um disco SATA (2.5" ou 3.5"), usando a entrada USB do seu computador e sem ser necessÃ¡rio abrir a caixa do PC.
Com ele Ã© possivel: 1Âº Fazer o backup do seu disco, que consiste numa cÃ³pia de dados de um dispositivo para o outro com o objectivo de os recuperar mais tarde, caso haja
