LINDY CROMO S/FTP PIMF CAT6 Cables are high quality S/FTP (Screened Foiled Twisted Pair) Category 6 cables.

The cables shielding prevents electromagnetic interference, while gold plated contacts help give optimum conductivity as well as resistance to tarnishing and corrosion. This boosts signal integrity and the cables overall performance and longevity.

RJ-45 connectors offer universal connectivity to computers and network components, such as routers, switch boxes, network printers, and network attached storage devices as well as being ideal for use in data centres, rack spaces, server rooms and network cabinets.

LINDY CROMO cables provide a premium quality cable construction at an affordable price.
