SAS / SATA Multilane Quad Drive RAID System LINDY (42827)

Referencia : 42827

SAS / SATA Multilane Quad Drive RAID System LINDY (42827)

Fabricante : Lindy

SAS / SATA Multilane Quad Drive RAID System

• Compact External Metal Enclosure with integrated power supply
• For 4x 3.5â€• SATA HDDs with security locks
• SAS / SATA Multilane SFF-8470 interface supports transfer rates up to 12Gbps (4 x 3 Gbps)
• Supports four SATA II HDDs up to 2TB each
• Supports all RAID levels for 4 HDDs depending on host controller
• Built-in USB printer server, UPnP Server
• Built-in low-noise 8cm ventilation Fan
• IEC power input and ON/OFF switch
• Compatible with all modern OS

The LINDY Multilane Quad Drive RAID System features a high speed SAS interface (SFF-8470) allowing you to transfer data at up to 12 Gigabits per second (4 x 3 Gigabits) and can hold up 8 Terabytes of storage (4 x 2TB) using SATA Hard Drives (not supplied) making it the perfect storage addition to any computer or server.

The Enclosure can be connected to any compatible computer using standard SAS or SATA Multilane cables. If your computer does not feature a compatible port you can simply add a SATA Multilane PCI card to add this functionality. When connected to a SATA or SAS controller with RAID functionality the LINDY Multilane Quad Drive RAID System will provide compatibility with all RAID levels supported by the controller.

For indoor use only

Power Consuption: 100-240VAC, 50/60Hz Output 12V/6A 5V/5A

Operating conditions: 0~45Â°C, 20~80% hum
