Infrared over HDMI Extender Kit LINDY (38017)

Referencia : 38017

Infrared over HDMI Extender Kit LINDY (38017)

Fabricante : Lindy

Send IR remote control signals via HDMI cables!

• Allows IR signals to be sent down existing HDMI cabling
• You can control up to 4 devices via Infrared
• An ideal solution for industrial, commercial, education and home cinema installations where devices are kept out of sight
• Removes the need for additional IF extenders and cabling
• Plug and play solution
• Control devices from up to 30m
• An Injector and a Splitter simply connect to each end of a HDMI cable
