Interruptor com 0.15m para cabo DC 2.1mm/5.5mm LINDY (70213)

Fabricante : Lindy

This clever inline switched DC power cable allows you to switch off DC powered devices that do not have a power switch built in.

- Add a switch to devices that do not already have the ability to be turned off
- 0.15m cable with male and female DC connectors
- 2.1mm inner / 5.5mm outer diameter DC jacks
- Supports a maximum power rating of 5V 1.5A
